

LORENZO BOTTICELLI

Italy

Massimo Speroni has an elegant approach to design that lies in his artful orchestration of scale and texture. His projects are tightly edited and typically shy from predictability for something more exotic. Massimo layers whimsy and tradition in his comfortable and bespoke interiors. He has an eye for sophisticated symmetry, combining order with bursts of colour and optimism.

MASSIMO SPERONI

Australia

Massimo Speroni has an elegant approach to design that lies in his artful orchestration of scale and texture. His projects are tightly edited and typically shy from predictability for something more exotic. Massimo layers whimsy and tradition in his comfortable and bespoke interiors. He has an eye for sophisticated symmetry, combining order with bursts of colour and optimism.

FRANCESCO CARRO

Italy

Massimo Speroni has an elegant approach to design that lies in his artful orchestration of scale and texture. His projects are tightly edited and typically shy from predictability for something more exotic. Massimo layers whimsy and tradition in his comfortable and bespoke interiors. He has an eye for sophisticated symmetry, combining order with bursts of colour and optimism.

PIRELLA GÖTTSCHE

Italy

Massimo Speroni has an elegant approach to design that lies in his artful orchestration of scale and texture. His projects are tightly edited and typically shy from predictability for something more exotic. Massimo layers whimsy and tradition in his comfortable and bespoke interiors.
